Introduction

Hello and welcome to the Summer 2022 issue of the Eat Out Norfolk Guide.

At time of writing, we have all just enjoyed the Queen's Platinum Jubilee and it was fantastic to see families, friends and people from our local communities all getting together to celebrate the remarkable reign of Queen Elizabeth II.

The long weekend really brought home the importance of neighbours and communities, and it was fantastic to see the villages and towns across Norfolk draped in bunting and with Union Jack flags hanging off houses.

What was so lovely about the Platinum Jubilee weekend was the sense that the entire nation was finally shaking off the slough of the past two years. After months of little or no socialising, suddenly everyone was out and about and it felt wonderful.

It will be great to see that spirit continuing across Norfolk this summer as friends and family take advantage of our wonderful cafes, pubs, bars and restaurants as places to eat, drink and socialise. Within our mini-guide, we hope you feel inspired to rediscover old favourites and explore the plethora of new eateries that have sprung up.

The Queen was adamant that we should look forwards not back, and here at Eat Out Norfolk, we heartily agree.

Have a wonderful summer enjoying all that Norfolk has to offer.

Rosie

One of Norfolk's Oldest Garden Centres

Taverham Nursery Centre, celebrates its 40th anniversary this year. It was originally founded in the late 1970's as a pick your own nursery by Roy Drane and Ken Dye. By 1982 it had grown and was established as Taverham Nursery Centre, it continued to expand into what today, one of Norfolk's premier Garden Centres

Located just outside Norwich, it is easily accessed from the new Northern Distributer Route and is well worth a visit, for those wishing to visit a traditional independent, family run garden centre that stocks everything you need for your garden.

It has one of the largest selections of plants and shrubs in Norfolk, much of which is grown on site. You will find everything you need to maintain your garden along with expert advice from a team of highly experienced horticulturists, who are always willing to give advice.

There is a large selection of greenhouses and garden building, alongside everything you need to landscape your garden.

If you are interested in house plants, a visit to Taverham is a must. They have a huge selection to choose from, which includes many rare and exotic species. In recent years they have become one of the prime destinations in East Anglia for those seeking out something special for their collection.

Whether its plants or garden furniture, Taverham is the place to go. There is a huge selection of garden furniture and BBQ's on display, all of which are in stock and available for delivery anywhere in Norfolk. You will find a great range of products at very competitive prices from all the major suppliers.

While you are there, call into the aquatics centre to see a great selection of fish from all around the world along with everything you need to create your own tropical world.

Finally, a visit to Magnolias Restaurant to sample their home cooked meals, cakes and scones.

Along with easy access, lots of free parking and no queues, what more could you ask for?

Online or IRL (In real life), Thornham Deli has the personal touch.

“When we first opened the doors to Thornham Deli, the founders, Janie Thompson and Jeanne Whittome set out the expectation that every customer choosing to visit the Deli should feel they are a valued and important member of our Deli community.

While so many things have changed in the past two years, that ethos has remained at the heart of our customer care and we work ceaselessly to ensure that anyone visiting the Deli is greeted with a smile.

However, the nature of shopping has changed dramatically in the past two years with far more emphasis on online shopping. And as is the case with the TD team, we have moved with the times.

Our online shopping experience brings all the quality, style and range that customers have come to associate with Thornham Deli. This includes our stylish boutique home range and some really fabulous and eye-catching women's clothing. When you shop with us online, you will discover that the team behind the screen is as friendly and warm as the team you meet in the shop.

If, however, you are able to join us in the Deli, then you will discover that here too we have moved with the times. Our shelves in the food section remain stocked with fabulous ingredients, many of them locally sourced and with seasonality and quality the watchwords. The blast chiller carries a range of meals prepared by our kitchen team so that you can serve up delicious, healthy meals even when time is your enemy.

Our drinks section contains a range of beverages from around the world but we have dedicated plenty of space to the amazing beers, wines and spirits that have been produced locally.

The Deli counter, as ever, is well-stocked with beautifully tempting pastries and cakes and we will happily make up a hamper so you can enjoy a picnic on one of our beautiful beaches.

Along with our spacious new restaurant area, our outside eating spaces and our takeaway meals service, Thornham Deli has moved with the times

and ensured that we meet the needs of our customers both near and afar.

So, if you are unable to visit Thornham Deli, then let Thornham Deli come to you. Browse our online shop, drop us an email or call us with any questions and we will help you to enjoy your Thornham Deli experience, wherever you are.”

The Chequers Hainford was our first site. A well known dining pub needing a fresh approach and fresh is what we went for. Our mantra here is Fresh, Seasonal & Local with every beer sold across the bar brewed within the region and not available nationally, and dishes on the menu changing every few days based on what is seasonal and available locally from producers and suppliers. Over the last year the garden has been extended, a heated courtyard added and the derelict barn at the rear converted to a function space and we've still got more

about the regions hospitality sector and looking forward to our growth plans for the next 12 months.

Something for the kiddies!

As the summer holidays approach, it's the perennial question for parents, grandparents and carers: 'What can we do with the kids?' It's never a chore to spend time with the little ones but you also know that there will be a day when the beach is not enough – it is either too cold, too rainy or simply a change is required. Luckily there are plenty of other things to do across the county.

Gardens could be high on the agenda. Not only does the Bressingham Steam and Gardens host a museum dedicated to steam engines, it also has several narrow-gauge rail lines and a number of types of steam engines and vehicles in its collection. It is also the home of the national Dad's Army exhibition.

Also opening up its doors for childrens' adventures is the Pensthorpe Nature Park. The Secret Garden houses a secret wildlife trail and it will lead little explorers on missions and activities that are both fun and guaranteed to spark a real interest in the natural world. If trains and other steam engines are likely to spark an interest then a trip to Bressingham Steam and

Finally, in our selection of activities for the kids, there is the adventure that awaits at BeWILDerwood. Anywhere that can boast treehouses, Wobbly Wires, Slippery Slopes, Crocklebogs, Twiggles and Boggles, plus storytelling, boat rides and Den Building has got to be worth a visit. These are just a few of the many, many more activities - both one-off and regular - that are being organised throughout the county to make sure that your children love and cherish their time in Norfolk as much as you do.

The Big Skies

The Feathers, Holt

Discover the delights of North Norfolk cuisine with a visit to The Feathers in Holt. The dog-friendly pub with rooms has been a staple in the town since it was established on the site of the old cattle market in 1650. The pub and rooms have recently undergone a full refurbishment, which has breathed new life into the popular pub and restaurant. The décor pays homage to the town's Georgian heritage, with oak furniture and leather textures, while the restaurant has a light and airy feel with unique furnishings.

The kitchen serves up traditional favourites made with the freshest ingredients from local suppliers. Expect to find lots of grazing and sharing dishes, together with coastal dishes and the tastiest Sunday roast with all the trimmings. During warmer months, guests can dine alfresco in the welcoming pub garden, complete with plenty of tables for cyclists, walkers and guests to rest their legs, while four-legged friends can sample some delicious treats from the doggie menu. Treats include Denzel's Baked Chews and Soft 'n' Squishy Treats, all washed down with a Bottom Sniffer Beer or Posh Pooch Rosé Wine, non-alcoholic of course. Just a short walk away are ten additional rooms at The Lawns Rooms, perfect for larger family groups and those that want to escape the hustle and bustle.

The Globe Inn, Wells-next-the-Sea

The pet-friendly Globe Inn in Wells-next-the-Sea is great for a culinary getaway in the centre of a bustling seaside town. The pub and kitchen has recently been refurbished to reflect the town's maritime charm, with lots of fun travel ephemera adorning the walls. Sample some of the freshest dishes, from beef cattle nurtured on local estates to seafood brought straight up from the quay; the team of chefs work with local butchers and fishermen to source the best ingredients.

Some people come just for the food, and we can see why, but Wells-next-the-Sea has plenty to offer. The sandy beach is just a few minutes' drive or a scenic 30-minute stroll away, perfect for throwing a frisbee for a four-legged friend or building sandcastles with the little ones. Back at The Globe Inn, the 19 rooms are a welcoming retreat at the end of the day, with a choice of rooms, with varying different sizes and styles. All rooms are dog-friendly and there even special Sandy Paws stay packages that include a bed, special treat and doggie gift that your pooch is sure to love.

YOU'LL LOVE
